Dear Supporter,

Courage To Believe International is a 501c3 mentoring organization dedicated to reducing the violence within the urban neighborhoods. We've developed a C2B Chess Club, Annual Black On Black Crime Solutions Panel, and life skill workshops to inspire the youth to make consistent successful decisions. As we are meeting a need within our community for the third straight year, we have the support of local teachers, politicians, parents, Broward Sheriff Office, and Broward School Board.

It is our desire to continue towards education and to reduce crime by spreading positivity and therefore we are promoting the **3rd Annual Black On Black Crime Solutions Panel**. Courage To Believe International is asking for support and a sponsor for this event and/or our mentor program. During this annual event, we are reaching out to the entire the South Florida community to join us – the kids and families will have a day of empowerment and entertainment by the poets, singers, and panelists. This event will take place at: **Worldwide Christian Center Church** on July 16, 2016, located at 450 N. Powerline Rd. Pompano Beach, FL., 33069.

Courage To Believe International upholds the very words of Booker T. Washington which states “Let them understand that you are unselfishly interested in them, and you can lead them to any extent,” Our youth must know that we support, care, and believe in them, but unfortunately

many at-risk youth are unable to be reached while in the school-to-prison pipeline population or in while in prison. We aim to develop successful mechanisms that will allow the youth to be able to circumvent this system by changing their mindsets. We are planning to have approximately 150 or more participants of youth and adults as well as media coverage from the South Florida area.

This event serves two purposes: First and foremost, to promote the power of their voice in the community. Secondly, we aim to build a bridge between the older and younger generation. There is power and strength in the unity of our homes, families, businesses, and schools. We aim to continue finding tangible solutions to the problems that we are faced with everyday, and for many of us the problems are right outside of our windows.

We would like to ask that you consider becoming one of our 2016 Sponsors. Your donation will be tax-exempt, and much appreciated. As a sponsor of our three-year anniversary, you will be receiving positive media attention from your association with Courage to Believe International.

We have included a sponsorship proposal for your review. If you are interested in becoming a supporter of Courage to Believe Int'l, please don't hesitate to fill out the form below. In addition, the Courage To Believe International Staff will follow up with you or your organization regarding questions or concerns with the proposal or the organization.

Thank you in advance for taking the time out to review our sponsorship proposal. The sponsorship packages are below. I may be reached at 954-263-8223, for any questions that you may have.

Sincerely,

Kevin Dorival, President
Courage To Believe International
