Dear Supporter,

I would like to invite you to our *4th Annual Black On Black Crime Solutions Panel - "The Power of Mentorship"* is this year's theme. *Having you at our event would be an honor.* Courage To Believe International is a 501(c)3, nonprofit organization dedicated to curbing the violence within the urban neighborhoods and to increase the love within our communities. The event kicks off on Saturday, **June 10, 2017** from **11am-2pm** in partnership with Miami-Dade College/North Campus auditorium. With the support and attendance of people like you - we are proud to say that the past 3 years has been a huge success! As you can imagine it hasn't been easy.

Our goal is to bring back the same high positive energy to this year's *Black On Black Crime Solutions Panel*. Booker T. Washington once said, "Let them once understand that you are unselfishly interested in them, and you can lead them to any extent." We stand by this philosophy when it comes to mentoring the youth. Perhaps you can open a couple of doors for us in Miami-Dade, whether it be community centers, community leaders, and members of the press. Any and all support is welcomed.

With your contribution towards our program advertisement or partnership with our event we aim to continue to implement: *The C2B Chess Club & Mentoring Program* and the *Annual Black On Black Crime Solutions Panel*. Our goal is to assist the youth avoid the school-to-prison pipeline system by changing their mindset by improving our student's decision-making skills. But without your help, it cannot be done.

This event serves two purposes: First and foremost, to bring the community together to discuss the solutions to what's hurting the urban communities. Secondly, to build a bridge between the older and younger generation because of the disconnect causes communication issues. There is power and strength in the unity of our homes, places of business, and schools. There will be several community leaders, organizations, and members of the press, teenagers and college students at attendance. The audience will be filled with concerned members of the community.

Here's how you can help: We welcome you to either become one of our 2017 Sponsors, purchase Ad space in our program booklet, or making a contribution; your donation is appreciated, needed, and tax-exempt. As a sponsor, you will be receiving positive media attention for your association with *Courage to Believe International* mission of uplifting the community.
