To whom it may concern:

For the previous two years, Mr. Kevin Dorival partnered with the Youth Services section of the Jan Moran Collier City Learning Library to host a ten-week Chess Club program. We applaud Mr. Dorival's efforts to increase attendance and participation in the program. The Library and members of the public are looking forward to the Chess Club's third season, and we are pleased to have Mr. Dorival working with us to offer this program again next year.
